

AMERICAN LEGION AUXILIARY
*F*OUNDATION

**AMERICAN LEGION AUXILIARY FOUNDATION
GRANTS-AT-A-GLANCE
FOR UNITS, DISTRICTS/COUNTIES, AND DEPARTMENTS**

The purpose of the ALA Foundation is to assist in carrying out the educational, charitable, and other exempt purposes of the American Legion Auxiliary by raising funds for, assisting in conduct of, and providing support to the Auxiliary programs. As a 501(c)3 public benefit corporation, the ALA Foundation provides a resource to engage additional investors interested in supporting our mission.

As part of its mission fulfillment, the ALAF awards grants by two methods:

1. Granting directly from its Veteran Projects Fund or Veterans Creative Arts Festival fund to ALA units, districts/counties, and departments.
2. Serving as a conduit to 3rd party grants which are awarded to the ALAF and sub-granted to an ALA unit, district/county, or department that is the intended recipient of the grantor.

The criteria and application process for the Veteran Projects Fund Grant, Veterans Creative Arts Festival Grant, and Sub Grant follow:

VETERAN PROJECTS FUND GRANT

If your unit, district/county, or department identifies a specific, emergent need for your local veterans or active military, the American Legion Auxiliary Foundation Veteran Projects Fund may be able to lend a hand.

Grant Criteria:

- The proposal must address a specific, emergent need by an ALA entity that supports the ALA mission or an ALA program identified in the national Programs Action Plan. An emergent need is a new need appearing, arising, occurring, or developing for the first time.
- The ALA Foundation will fund small emergent need projects in the amount of \$2,000-\$5,000, and in unusual circumstances an amount no greater than \$10,000.
- The ALA Foundation will fund Mission in Action projects that help our members be recognizable in the community by providing ALA branded means to transport all of the goods and materials to service projects.
- One grant per grantee in a 12 month period will be awarded.
