Special 100th Anniversary History Program Facts:

In 1934, the following change to the American Legion Auxiliary Constitution was adopted: To strike out Section 2, Article III, which is the article on Eligibility and substitute the following:

“Section 2. There shall be two classes of membership, Senior and Junior.

- (a) Senior membership shall be the functioning (or active) group composed of members over the age of eighteen years.
- (b) Junior membership shall consist of that group under the age of eighteen years, whose activities shall be supervised by the senior membership. Upon reaching the age of eighteen years, Junior members shall automatically be admitted into active membership with full privileges.
- (c) Dues of both classes shall be paid annually.”

In the 1936-1937 year, under National President Scar W. Hahn, the Junior Program was launched. Junior membership grew from 29,000 to 40,000 during that following year due to the great work the Juniors were doing.
