ALA MISSION TRAINING: WE ARE EXPANDING!

ALA Mission Training will grow into two separate, yet related meetings in 2019-2020.

Mission Training 101: Delivery
Mission Delivery Training helps members better understand our mission of serving veterans, the military, and their families. The goal is to reduce obstacles that would prevent members from getting started. As in the past, content will be built around the basics and will be held in conjunction with the National Junior Meetings.

WHO SHOULD ATTEND MISSION DELIVERY TRAINING?
Any enthused, new or newly active member who wants a deeper understanding of how to use tools the Auxiliary provides in mission delivery. Members will gain access to experienced individuals for informal mentoring and idea sharing.
